zincliew.art@gmail.com
zincliew.wixsite.com/portfolio

Hello! I'm Zinc, a Malaysian-Chinese who used to work as a graphic designer, then decided to pursue her animation dream, leaving home to study on making her illustration alive. Throughout the studies in the University, I developed a great interest in paper and puppet stop-motion. I love working in a team, it is always full of surprise and so much to learn from the diversity of culture and mindset.
